

A nice apartments complex designed in a modern architectural and practical way! The complex is situated close enough to the city center offering quick access to it, whereas serenity in natural surroundings plus the amazing sea view is guaranteed! It's about a block of flats consisted of 5 spacious apartments with private parking area. Located on the borders of the city center, it offers quick access to it and serenity at the same time, making it the perfect place for a family. Newly built apartment of 73.10 sq. met. in Mastabas of Rethymnon. The apartment is located on the ground floor and has 2 bedrooms, 1 bathroom, kitchen, spacious dining and living area. There is also a balcony off the living room, where its view towards the sea adds to the overall value of the apartment. In the price, a parking space and a storage room are included. A comfortable house for you and your family. Its natural surroundings in combination with the garden and the common area that this block of flats provides, makes this spot a unique one in the town of Rethymno. It also includes a storage room and a private parking space in the basement.
