Tompazi 20, Rethymno

The plot measures 8.000 sq.m and is located not far from the beach and village centre of Exantis or Siripidiana and Achlades. It offers nice views and has building allowance up to 200 sq.m in total. In addition to this it is also suitable agriculture use as the area has plenty water and good condition for trees growing... Where the property is located can not be found amenities and facilities however within 5 kms at town of Perama or Panormo village you may find everything!
