

LAND INFORMATION:

Lot Size : 14000

CONVENIENCE:

General Amenities: Inside the local building plan, Sea view, Mountain view,

A great and large plot of land of 14.000 sq.m in total for sale in one of the most beautiful traditional villages in Crete as it was lastly voted by official organisations! 6.000 sq.m are situated within the construction plan of the village so they can be built a lot either of private use or commercial one (rentals, etc) while the remaining plot is located outside the village's building plan and although it can also be built the building rights are less. It is pleasantly situated on the edge of the village next to traditional buildings! Most of the plot's surface is sloping something that however guarantees that the great views will remain from any point even when it will be developed! The selling price is negotiable.
