Tompazi 20, Rethymno

A plot of land of 15.000 sq.m is for sale in a beautiful and country area, only 15 kms south Of Rethymnon city right after the armenoi village. The property is very well situated by the national road of Rethymnon to Spili and Agia Galini and can be built up to 240 sq.m for private use or more for commercial one, because of the sloping surface it provides nice views from any point while very popular destinations like the traditional village of Spili and Armenoi are very close, another potential is to use the property as agricultural one and plant olive or grave trees, as because of its size and the nice ground the property is ideal! The selling price is very good!
