

House with large garden for sale in Achlades Rethymno. It's about an old house of 84.37 sq.m. located in the village of Achlade, Mylopotamos Municipality, Rethymno Prefecture, at the location "Papadiana", with a plot of 1250.94 sq.m.

The house is on the ground floor and consists of a separate kitchen, a separate living room, a bedroom, a bathroom and a storage room. The existing interior can be changed so that the storeroom can become a bedroom, the separate kitchen can become an additional bedroom and the living room can become a single space kitchen - living room, etc.

The house has a large plot of 1250.94 sq.m. The plot currently has fruit trees but it can be configured appropriately to build a swimming pool, garage, barbecue area or even to extend the current building. The village of Achlades is located in the center of Crete, in the prefecture of Rethymnon and at a distance of almost 28 kilometers from the town of the same name.

Achlade's strategic location allows easy access to every corner of the prefecture, with beautiful sandy beaches just minutes away, and despite being a very small village, there are many treasures to visit and admire.

Reduced from 150.000 euro!!!
