Tompazi 20, Rethymno

1st floor apartment for sale in Panormo Rethymno. It is a 69 sq.m. apartment. part of a residential complex.

The apartment consists of a large single space with kitchen - dining room - living room, two bedrooms and a bathroom. The apartment also has a perimeter balcony with a superb view of the mountains, the wider area and the sea. Externally, the property has a communal pool as well as a beautifully landscaped communal garden.

The property is sold fully equipped and furnished.

The property can be used either for personal use as a permanent or holiday home or for professional use as a tourist accommodation.

Due to its privileged location, this apartment is an excellent investment, one that combines peaceful living just a few meters from the sea and the popular village of Panormos.

The village of Panormo is located about 20 km east of Rethymno. It is a quiet tourist resort, which has developed strongly in recent years, without losing its traditional form. The picturesqueness of the village, the beautiful sandy beaches in the village and the easy access via the Northern Road Axis of Crete have contributed to this.

In the modern history of the region, Panormo was the most important port for the transport of the agricultural products of Mylopotamos. The province produced large quantities of olive oil and carob. You can even today visit the restored carob mill, which is used as a cultural center.
